

New Chassis Pool in Bessemer, AL – BRCP

FlexiVan is pleased to introduce its new **Bessemer Ramp Chassis Pool (BRCP)**, operating at the CSX rail ramp in Bessemer, Alabama. Starting August 1, 2017, FlexiVan will provide a fleet of high quality, dedicated chassis to support the intermodal operations of CMA CGM at this start/stop location. All FlexiVan BRCP chassis are equipped with radial tires and LED lights, and backed by our recognized preventative maintenance program and strict operating standards.

Participating motor carriers must be registered with FlexiVan ([register here](#)) and pick-up/drop-off all chassis at the following start/stop location:

CSX Ramp Bessemer - CAICTF
2401 5th Avenue North
Bessemer, AL 35020
(Approx. 15 mi. from Birmingham, AL)

Hours of Operation:

M-F: 0700-2000

Sat & Sun: closed

Lift Hours:

M-F: 0800-1700

Sat & Sun: closed

CSX Terminal Customer Service: #800-542-2754 *(option 2)*

FlexiVan will receive shipment details from CMA CGM directly, and bill all Merchant Haulage and Carrier Haulage motor carriers accordingly. *Please note that BRCP chassis are not interchangeable with any other pool chassis.

Should you have any questions about the new BRCP chassis pool or need help registering with FlexiVan, please feel free to contact one of our representatives at the numbers below.
