

FOR IMMEDIATE RELEASE

Executive Appointments

KENILWORTH, N.J. – September 7, 2017

FlexiVan is pleased to announce the following executive appointments:

Charles G. Wellins as President and Chief Operating Officer. He will replace George Elkas, who will retire at the end of 2017 after 46 years with the company.

Charlie's career spans over 30 years in ocean transportation, logistics, and integrated supply chain management. He led large country, regional and global organizations based in both North America and Asia Pacific in key leadership positions with LF Logistics, CEVA Logistics and Maersk Line.

Greg Moore as Executive Vice President and Chief Commercial Officer. Greg joined FlexiVan in 2015 following a 32 year career with Maersk Line in key leadership positions across the U.S. and Copenhagen. Greg replaces Phil Connors following his retirement.

About FlexiVan

As a leader in intermodal chassis leasing services in North America since 1955, FlexiVan continues to set the bar for industry excellence and the customer experience. FlexiVan manages over 130,000 quality units in over 30 depots and 300 locations across the country. Nine service centers are strategically located in key markets, providing easy access to top-quality maintenance and repair services. Our innovative FlexiDay® daily rental product provides a cost effective solution to motor carriers, while our proprietary ChassisNow™ booking and FlexiPool Tracking systems facilitate instant customer visibility to essential data. Professional, cost effective transportation solutions – *Experience Delivered.*
